A Benevolent Teacher

A Loyal Friend

A Trusted and Beloved Person

We Dedicate this 1967 Pyramid to you,

MRS. MARIE EPPLIN

Because we love you,
not only as a teacher, but
as a dear friend.
Board of Education

This group, although it is not seen by the students in everyday school life, is the guiding force by which our school functions. With the welfare of the school and the student body in mind, the Board employs able administrators and staff and provides an excellent academic and extracurricular program.
Our principal, Mr. Harley F. Quillman, looks upon each student as an individual with potential. He takes time to help each student realize and develop this potential.

It is in this endeavor as in all other areas under his guidance and influence that Mr. Quillman is a successful and respected principal.

Mr. Smith, our assistant principal, has constantly been of help to anyone needing guidance or correcting.

The annual staff wishes to thank them both for their patience and understanding.

September — 66

With summer over much too soon, September forced PCHS to open her doors once again—this time to more students than ever before.

Almost at once the spare time of everyone was filled with the activities of the various organizations.

September was the month for class elections and the annual Hi-Tri Tea. It was time for the band to practice marching for the football games. The GAA held weekly practices and sent girls to the Fall Play Day. During the month, the Chorus and French Club organized, and meetings were held by the FFA, FHA, and National Honor Society. An FFA judging team was entered in the Sectional Land Use Contest. The Library staff and Office Aides did their best to make the school run efficiently.

The Panther football team practiced hard all month and played well in several games. There were also JV and Freshmen games. The Cheerleaders, having been elected in the spring, led the Pep Club in backing the team.

With September over, the activities still continue. October opened with the G.A.A. archery tournament in which Pinckneyville placed 3rd in state. The football season was still going strong. The Seniors had a masquerade dance with the following winning prizes: Deanna Smith and Ralph Flowers, cutest couple; Nancy Pick and Barbara Trigg, fanciest; Mickey Brand, funniest; Randy Sumner, the ugliest. Initiation was held for the new French Club members. Seniors dressed up for their pictures. The Juniors had a successful paper drive. And various meetings were held throughout the fun-filled month of October.
In November the Panthers' 1966 football season ended with the Homecoming game against the Du-Quoin Indians. Before the game, a bonfire and pep rally was held to boost the team's spirit and to initiate new Hi-Y members. On Saturday night the annual Homecoming Dance, sponsored by the Student Council, was held. At the dance the new Homecoming queen was crowned and her court presented.
After a long wait the Junior Class rings finally arrived and were distributed to the students. The Chorus and Black Masque presented the play, Bum C. Daisy. Then school was dismissed for Thanksgiving. After returning to school, activity became focused on the opening of basketball season.

With Santa's Workshop as the theme for decorations, the Hi Tri sponsored the annual Christmas Dance on December 20. At the close of the dance, the new king and queen, Frank Brown & Donna Nehrkorn were crowned. The other members of the 1966 Holiday Court were 1st maid - Deanna Smith and escort Ralph Flowers, 2nd maid - Lisbeth Englehardt and escort Tom Kopshever, 3rd maid - Gwen Hamilton and escort Randy Sumner.
December - '66

With December came Christmas and at P.C.H.S. there were many Holiday activities. The Junior Class staged a variety show to raise money. The F.H.A. entertained the girls of school with a style show. Many of the organizations held parties to celebrate the holidays.

The impending disaster of coming exams encouraged students of P.C.H.S. to study once again. The freshmen basketball team held an invitational tournament in which the future all stars of P.C.H.S. came in second place. P.E. classes were busy playing volleyball, and even found time to take notes for basketball.
February was Heart Fund Month at PCHS. Contributions were made by each class and organization; nearly every student helped in some way to raise money. The activities to raise money included volleyball games, candy sales, cake walks, basketball games, a dance, and some special programs.

The Chorus, Black Masque and French Club worked together to present "An Evening in Paris" as their Heart Fund project. A Flea Market, French Pastry Shop, Puppet Show and other pictorial French displays were available for entertainment. Also, two great shows, a variety show and a fashion show with the traditional French flavor completed a wonderful evening.

Dear Mr. Thomas,

It was a real pleasure having you for a teacher this year, even though the manner in which you taught takes a while to get used to. I just would like to tell you that you are one of the best natural and most likeable teachers I have ever had. I want to wish all the happiness in the world. Have a good one.

Editor-in-chief, Howard Hellman discusses a page layout with a fellow worker.

The Pyramid is a partial record of events and achievements of P, C, H, S, as kept by its students. The overall record could not possibly be presented in its entirety on 112 pages, but each page may be regarded as a segment of school activities.

As a record of past and current achievement, the Pyramid plays its part in inspiring and encouraging our students to face fearlessly and capably the wonders and challenges of the future.

We hope that in the years to come this yearbook will help to keep alive the memories gathered during the year of 1966-67.
